SCHOOL LIFE

We are a part of it all. Whether -

in a crowd -

in the lunchline -

in study hall -

trying to represent
our school as
best we can -

or just being with
our friends.

Someday we will look back on our
School Life as part of our fondest
memories.

DEDICATION

To those who have been -

A guide to us
A friend and counselor

In recognition for -

Your untiring efforts
Your patience with our problems
And your general interest in us all

Maureen,
Well, I just hate to write
real sweet little things in these
annuals so I'll be real nasty! Ha!
I can't help remembering the cokes
at the drug stores and that "be-
fuddled" Mrs. Bummy.
Just think, next year you
won't be a freshman anymore! And
I'll be a big Junior. See ya!
Joyce

Maureen,

Don't we have fun
in Homemaking? It's
fun to call each other
names. Ha-Ha. Just
keep your cute smile and
neat personality all the
time.

I'll never forget all the fun
we had in basketball this
past year. Remember the House
game and all the rebounds
you got. Good luck to a great
gol and God bless you. Don't
jump to high this summer so
I can watch you.

Love, Gill

Dear Maureen,

Just think, our
first year in "big" high school
is drawing to a close!

I think one of the reasons
it has gone so fast is because of
neat kids like you! Your many
abilities and talents and glowing
personality are all factors that
insure your future success!!

Best Wishes,
MaryAnn
